

Dear Owner / Occupier,

I am writing to notify you that a planning application has been submitted to Lewes District Council.

Proposal:

Development for purpose-built student accommodation (sui generis use) comprising 555 bedrooms within 2no six-storey wings and central two-storey link; with ancillary amenity spaces, cycle parking and landscaping; and construction of new pedestrian and vehicular access from The Drove

Location:

Former Bennett's Field Car Park, American Express Community Stadium Car Park, Village Way, Falmer, East Sussex,

Applicant:

M Fenlon

Commenting on the application

Any representations you wish to make on the proposal should be submitted by the 13 April 2022. Please note that comments made after this date may not be taken into consideration.

The application documents can be viewed on the Lewes District Council section of the website at <https://www.lewes-eastbourne.gov.uk/planning-and-building-control/planning-applications/search-and-view-planning-applications/> using the reference number / site address above; you will also be able to make representations through the above link.

You may also submit your comments by email or in writing (address details given below) quoting the case reference LW/22/0175 by 13 April 2022

If you have submitted comments on a previous planning application for the site or part thereof, they will not automatically apply to this application and new comments will need to be submitted; or re-submit your previous comments if you believe they are still relevant to the application.

Lewes District Council, Southover House, Southover Road, Lewes, BN7 1AB
