Great double save early on. Most of their other on-target shots were right at him.	
Decent game.	
He and Dunk went for the same ball on a couple of occasions, otherwise OK.	
Ditto.	
Played very well both defensively and going forward.	
Shocking first half. Made more passes to Palace players than to his team-mates. Much improved in the second half.	
Better than Stephens, but guilty of some poor passes.	
One of his best games recently. However a shocking corner towards the end when the ball went immediately out of play.	y
Would have liked him to see more of the ball.	
Not his best game.	
Poor today I thought by his standards.	
Looked lively.	
Not really in it.	
Would have liked him to have longer on the pitch.
